“ I am so sorry that Paula passed away. Just as Jesus gave way to tears when his friend Lazarus died, he is moved by our reaction of pain to the lost of our love ones. May you find comfort from God and dear friends during this time of grief. John 11:35

“ We thank God our paths crossed. Many Sundays we sat with Mike and Paula in church. Paula was one of the finest Christians we have ever known. She always had a wonderful smile no matter what was happening in her life. She will be so missed among her friends. Our prayers are with Mike and the family.

“ Dearest Mike and Family, our hearts grieve with you and your family at the loss of Paula. Over the years since our high school days together it has been a joy and blessing for me to find many of my classmates have come to have a personal relationship with Jesus Christ. I was 24 when I trusted Christ as my Savior so I was unable to join in Christian fellowship with my peers during the "early" years. I rejoice that one day we will see Paula and it is such a comfort to your family and to her friends. Thank you for allowing us to share this time with you. God is good.

“ Say not in grief that she is no more, but say in thankfulness that she was. A death is not the extinguishing of a light but the putting out of a lamp because the dawn has come. May your hearts soon be filled with wonderful memories of joyful times together as you celebrate a life well lived by such a wonderful lady.
