To all Pauline's family - I am so sorry for your loss. It is always a great loss when someone passes even when they had many years of life. I have fond memories of your Mom from when I was a child in South Brewer. I do think of her as that mother! I pray you will all be comforted through this loss. God is the Father of compassion and the God of all comfort. May you all experience His love.

I had the blessing of having Pauline as a mother-in-law many years ago. May you rest in peace, Pauline and I pray your family and friends find comfort and peace in God's love.
