“ As children, we spent lots of time together with our families. We were carefree and filled with love for all. Then we became grownups and life separated us in so many ways. Over the years, we met at family gatherings, weddings and funerals, and it was always wonderful to become reacquainted among all the good food, the laughter, the music and lots and lots of happy dancing. You were radiant at your wedding and I can hear the laughter and feel the love that filled your life. Rest in peace, Cousin. With love, Marie and Manny

“ Pauline: We met in July 2009 and bonded immediately. We laughed so hard each day. We were on the same wave length all the time. I shall never forget you. I considered you my best friend a minute after we bonded. Baby Girl and Zoey became immediate friends too. Now God will take it from here and all will be well.

“ Just want the family to know that we are sorry for your loss. We were able to chat with Pauline a few weeks ago before we headed back up North for summer. We will miss our visits with her and baby girl.

“ Memories of Pauline that capture the heart are many.....she was fun loving, vibrant and joyous...she had a zany sense of humor, not unlike the rest of her family And while her life was short, she seemed to live it to the fullest Letting go of her hand & allowing her to continue her journey home, is like letting go of a part of our own spiritual selves And that spirit will always keep us all connected with Pauline. We all have a wonderful spiritual destiny to fulfill in each other's lives, and that destiny will continue with Pauline right along side her family & friends God Bless you all...we love you. “ I can't believe the world is going to be without this wonderful person! We are so shocked and deeply saddened by this sudden news! Now, I know heaven will enjoy all her gifts, especially her laughter! For example: I'll never forget the time Pauline, Gail, and I went to Colleen Sweeney's "Bridal Shower". We hadn't known the bride's family well, so it wasn't unusual that we didn't know the guests when we arrived. But...after a few conversations, we learned that the bride was "pregnant"! oh...no....wow... we were amazed, then we slowly learned that this was not Colleen Sweeney's shower, but someone elses.....we broke out in a fit of laughter, and wished the floor would open so we could drop and disappear from the embarrassment! Too funny! It is this and the many moments of jokes and laughter that I will "always" remember. We will miss you, rest easy and God Bless you.

“ *There is never enough time to spend with the wonderful people that, from time to time, enter our lives and then our hearts. Words are never enough to express the loss we feel when a dear person leaves us behind to be home with their God. She is now happy, so we must feel the same for her sake.*

“ We had so many good times, adventures, laughs, just so many memories that I hope can sustain me now. You were a one of a kind person and a very special friend and I will miss you so much but will never forget all you gave to me. You will live in my heart forever as I am sure she will to all who knew and loved her as I did. Once you knew Pauline, she was not easily forgotten.....and never will be..... "God saw you were getting tired and a cure was not to be, so he put his arms around you and whispered, Come to me. With tearful eyes we watched you and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us He only takes the best..." Love and miss you my friend Love G&G
