“ *Pauline was one of the first people we met when we moved to St. Catherine 35 years ago. She was a delightful and true Southern lady with so much information on the history of our area. God bless your family and may your memories provide comfort at this sad time.*

“ *Pauline Dew was my friend and co worker in 1968-1975 when we worked at Sumter Correctional Institution. I was a teacher for the new inmate education program and she was the chief accountant in the Business office. We often talked as we ate lunch in the staff dining room with other personnel. Pauline set down a RULE that "lunch talk" not include inmate talk but that this was time for pleasant visiting and eating. Anything having to do with budget or budget information was found in her office. She was a joy to talk with.*
