“ Tony, I am so sorry to hear about Paula. She was a wonderful person and a lot of fun to be with. I remember the good times going to your house in Philadelphia and your family coming to our house in New Jersey. Mostly I remember the times that my son and I would come to visit both of you in Florida. She will be truly missed. In my prayers, Donna Venuto

“ *Paula, my dear, best friend. I was blessed to have you in my life all these years. Oh my, what good times we shared! I so admired your quick wit and relied on your wisdom. Knowing you were there and cared, helped sustain and strengthen me through much in my life. All the phases and passages. I will miss you very much. You always were and always will be in my heart. You know, that deep little recess tucked aside and reserved for special people like you. Memories.*
