“ Hello to All in Family, So sorry to learn of Polly's passing. She ni8s in a better place now. God has something beautiful planned for her. You all have many happy memories of her and she will never be forgotten. I hope you remember me. My late wife, Dolores, and I spent many hours at your lake home and watched all of you grow up. Many happy memories of that. Our thoughts and prayers are with all of you. (I remember how good of a cook Polly was. Many happy meals at the lake home.) Peace and Blessings to all of you. Doris and John Henderson. (I think you have met Doris. We came to your Fathers funeral.)
