“ To dear Larry, Kelly, Janet and Ray

*All my love, thoughts and prayers go to each one of you. Your mother, and grandmother, was so very dear to me. I loved getting her sweet letters with details about playing mahjong, cards, bowling, golfing and meeting her new widow friends (I imagine a kind of Golden Girls group). I also read about her heartfelt struggles of putting some semblance of life together after losing her sweetheart of 48 plus years. My heart jumps with joy to know those sweethearts are re-united. I know she loved you all so very much. Kelly, I'll text you when I get to town on Thursday. Can't wait to hug you all in person. God bless you all. Love your cousin, Terri Gibson Morris*
