“ We enjoyed Peggy's amazing intelligence, sharp wit, and compassion for others. She was always there to lend a hand during a difficult time. Peggy always had a story or joke to tell and did so with a keen sense of humor. She practiced her organ music on a daily basis, making sure each hymn fit the service. Many times we would need to track down a difficult-to-find piece so she could please the requestor of the hymn for a special occasion. She had an infectious smile and laugh and she was a pleasure to be with. We are missing you, Peg, for sure, but you will always remain in our hearts.

“ Peggy was a kind and gentle lady who loved cats, old time radio programs, people in general and most of all her church (St. Alban's Anglican Church in Lady Lake Florida). She was always there to play the organ for church services. She served on the Vestry and provided guidance since the very first days of the church. She loved her cats Mulligan and Bogey. She was loved by everyone at the church and by her numerous friends and neighbors. Peggy, we are missing you and hope you make beautiful music in Heaven as you did here on earth for St. Alban's. Thank you and God Bless you.
