“ You lived your life your way with an independent spirit all we De Masi's (your maiden name) share. It seems this independence has kept us apart more than it has kept us together. We shared a bond at one time which I will never forget. I was not strong enough to continue our relationship and for that I will always regret. You're with your husband now, the only man you ever were in love with. Enjoy the eternity you will share together. When it is my time, please allow me to reintroduce myself so that we may get to know each other all over again. I would like to meet Donald. Goodby my sweet Aunt.
