

Peter Roche Hall

December 7, 1936 - October 6, 2020

The family of Peter Roche Hall is saddened to announce his peaceful passing after a short illness on October 6, 2020. Peter grew up in Massachusetts. He attended Boston University and Cornell University where he received his Doctorate of Veterinary Medicine. Peter had a private practice based in NJ, but worked at racetracks up and down the east coast. He took care of many great horses, and was quick with a story about each of them.

At the end of his career he worked for Keeneland Racetrack as a yearling inspector. He not only loved the job but all of the colleagues he worked with.

During retirement he kept himself busy, golfing, playing with his dogs, carving and logging in his daily miles on his treadmill.

A celebration of life will be held at a later date.

“ My wife Jan and I had the good fortune to be neighbors of Pete and his wife Pat in The Villages for many years. I also played many rounds of golf with Pete and had the opportunity to invest in a few horses with him over the years as well as to benefit from his knowledge at the Tampa race track. Pete seemed to always be smiling and was always a pleasure to be with. He loved dogs and my last memories of him are of frequently meeting and visiting with him in the woods near the Mulberry Dog Park while he was walking his beloved dog Lucy. Rest in Peace, Pete. I feel fortunate to have known you and had you as a friend.
