“ We are sorry to hear of Pete's passing, and were especially glad to have the Modaffs as neighbors for many years. Even though I don't remember of having played with or against Pete on the softball diamond, we have good memories of Pete and Diane at our street parties. We will continue to keep Pete in our prayers. Richard and Lorene Gnaedinger

“ Aunt Diane and family, There are no words for such occasions. There is nothing I can say that will be helpful or comforting. I will not be able to attend but will send my sister Pam and Howard instead. Each hour is tough to get through. Each day is an eternity with the nights even longer. I just loved Pete's dry sense of humor. I loved the stories that he would tell. I can hear his laugh right now even though I am in San Diego. All my love, Kathy
