“ Peter Wykle was one of my best friends for over 25 years. He was a stellar person with a heart and loyalty to his friends, that is really special. He was always there for people he loved. I have gained so much from knowing him...on so many levels. I treat it as a gain to have known him....the loss is physical...the gains will live with me forever.

“ *I'm sorry for your loss. The Wykle family were very memorable. We grew up next door to each other. The water fights the 2 families had together were epic. My dad, Fritz, always said that "The Wykle boys exhaled more muscles", than he had in his whole body. My thoughts and prayers are with the Wykle family. Love and comfort, Sheryl Stotz-Habel*

“ Dear Wykle Family, We were shocked and saddened to to learn of Pete's passing. I have missed our friendship at the lake where we spent great times together...enjoying golf, dinners, drinking and hanging out. What a great and generous friend and neighbor who would do anything for you. We will unfortunately be away and not able to attend the memorial service on the 17th, but send our deepest sympathy and condolences to the family and many friends of our dear friend Pete. Sincerely, Joe and Kay.

“ I grew up next door to Pete and the whole Wykle family. The most fun loving family ever. I owe the whole Wykle family a huge debt of gratitude for helping me to meet my best freind Bill Gray (Wykle cousin) and my second family the Grays. Pete and I stayed in contact through weekly e-mails and talked about once a month. We will all miss you, you animal.
