“ Denise and family: My deepest condolences on the passing of Phil. It was a great honor for me to have served with Phil in the Air National Guard. Phil was always a man of principle and earned the respect of all those who served with him. I will never forget how you and Phil lent us your bike bugger for several years for our your children and my late wife Nanci when we visited the cape. May Phil rest in peace.. Love Dick Goguen

“ Please accept my deepest sympathies. Hearing of your loss has deeply sadden me, but I know this is far from what you are going through right now. Phil was a special friend I am so glad he touched my life. As he touched so many others. I will miss Phil. I have many great memories with Phil down on Cape Cod in our younger years. My hope is that the heartfelt pain you are feeling now will someday make room for warm and loving memories.

“ Hi Denise, We read about Phil's passing in today's Cape Cod Times. We, The Cape Cod Road Runners, had so many wonderful times both while running and just hanging out! The emails are flying around here about how great a person he was! A day doesn't go by when we don't talk about 'Fast Phil'! He had a nice calming effect on the group! His smile would light up the sky at 5am when we met him for our daily run in Pocasset. When I was growing up the greatest compliment we could pay someone was to say that person was 'Good people' Denise, he truly was "Great People"

“ *Denise and family.....I was with Jessica last evening and stunned to hear of Phil's untimely passing. Reading his obit in the CC Times this morning brought back fond memories of rounds of golf at Otis and grilling and chilling on your deck or the Fone's. He was truly one of the really good guys you meet in life. My thoughts and prayers are with you and the family and I look forward to seeing you at services on the Cape in May.*

“ Denise and Family, Our thoughts and prayers go out to you from Cape Cod especially from this house on Riverview where Phil was secretly and affectionately called "Mr. Perfect." His attention to every detail, most visible in lawn care where, I swear, he snipped the smallest offending blade with manicure scissors in the dark of night, held every household to higher standards. This minute, if there is justice in eternity, Phil, scissors in hand, is trimming God's garden. Love from 260

“ In Norwegian society, the highest compliment one can receive is to be called 'the finest kind'. It's a simple, but in my view a crystal clear comment about the quality of a human being. Phil was 'the finest kind' in our view! We will miss him on the water on Cape Cod and we'll raise a glass in his honor while sailing Nantucket Sound this Summer. Dana and Carole Ann Brackett

“ We are so sadden by the loss of a dear friend. Our condolences to Denise, Cheryl, and their families. We know this is a heartbreaking loss for so many who were fortunate, as we were, to know Philip as a friend. We have a lifetime of happy memories of good times with a very good man. Such good friends are rare indeed. Philip was that kind of a friend to so many. He found a perfect mate, was blessed with a beautiful daughter and two grandchildren he adored, and was loved by many. A great life. We love you Phil.

“ On behalf of my Wife Kam, (nee Riordan), witnessing the grief she felt upon hearing of this news I want to give my condolences to a man and his family I never met only because she spoke so highly of him and how much he affected her career in the Air Force. Semper Fi and good travels.
