“ We are grateful to have known Phil. He was very helpful to Patti and I by helping us buy the house that he and Paula first owned in The Villages. He will not only be missed by his family, which he appreciated immensely, but by all who came in contact with him during his business career or through other personal contact. We will miss Phil's pleasant demeanor and we know that he is in a safe and better place. We are all better off for having known him. May God Bless Paula and his family.
