“Daddy I miss you so much. I have a big empty spot in my life that cannot be filled since you are gone. You were the best, I could not have asked for anything more from you. You always put your family first. You will forever be in my heart. Kailey and Tanner miss you so much. Tanner cries at night "I just want him back". You made quite an impression on everyone that came in contact with you. I know you are with mother again, for that I am happy. RIP Daddy, always in my heart and on my mind. So many things remind me of you. Love you, your #2 Daughter.

“RIP Phil, when you get to heaven, tell Doris, I said hi. I always loved visiting you two when I was down in Florida, never a dull moment around you all. Phil, throw one hell of a party when you get there, and don't forget to have a drink or two for me. I am sending my prayers to your girls and their loved ones.
