“ Phil I'm devostated.
I had no idea Phil was gone. He was a true friend, we met at Frank's Place 15 Years ago. Many games of pool and many great times and trips, I was looking forward to seeing him when I got back down to Florida. I don't know what to say. There is an emptiness in my world that cannot be replaced.
1211 Osceola will be a special place forever.

“ Someone so special can never be forgotten. I loved him for 30 years.
Great friend who never wavered his friendship.
He was never a fair weather friend. His work ethics along with his integrity was unquestionable.
His family has to be proud of the man he was!!
