“ My dear "Auntie Fifi".... I have so many happy family memories growing up with you in them, spending holidays and special occasions together. You were always the "hostess with the mostess"! I loved your cooking, your decorating, and you made our family gatherings fun and memorable! I admired your knack for beautiful design in your homes. You were and are a special aunt to me and you will forever hold a special place in my heart. I'm sorry we did not get to see each other in recent years but I missed you and you were always in my thoughts and heart. I love you, always, your niece, Joni xoxo
