“ *Dennis and I were neighbors of Phyllis and Art in Tucson. We are very sorry for your loss. Although we moved away before Phyllis left for Florida we often thought of her and her great Christmas Brunch. Both your mom and dad were great neighbors. Phyllis and Dennis Howell*

“ Hello Pete, It's Dave and Joanne Downer. We are now retired in Green Valley, Az. We read about your mother in the Tucson paper today. Please accept our condolence. I remember not only your mom but also your dad very well from all the time I spent at your house so many years ago. My mother and dad, who also retired to the Tucson area, had some contact with your mom, not sure about your dad, in the past. Best Regards, Dave and Joanne

“ Dear: Pete, Leeann and Becky, Please accept my deepest sympathy !!! I really enjoyed your mom. She always had such energy and a bright outlook on life. I could not help but laugh when I heard that she went parasailing in her 80's I remember doing gardening for your parents when I was in high school. Lot's of great memories. My mom and dad were very fond of your parents. The fact that they were fellow Canadians helped to endear them to one another. May God Bless !!! Paul

“ How sad we were to learn of Phyllis's passing. She had a zest for life and a flair for living life to the fullest. We always looked forward to visiting with her when she came back to the area in the summer. And we were proud to be the owners of her past home. Our deepest condolences to all her family and loved ones. Gene and Renata Zuzga

“ Pete, LeeAnn & Becky, I was saddened to read of your mother's passing in the Macomb Daily online from our winter home in Cape Coral. I have many fond memories of the early 1950's at your parent's house on Burlington and later over on the river.
