“ I consider it a blessing to have grown up on Louis Street. That allowed me to become a lifelong friend of the Dean family. I have many great memories with Mark that go from playing in the yard as kids all the way to college. I will always remember the cow bell that meant you better get your self home!!! Mrs. Dean always felt like a second mother to me. Every time I walked in her house she would always give me a big hug and want to know how everyone was doing. She had such a joyful spirit and a wonderful laugh that would make you smile. Mrs. Dean was truly a gift from God to every one she knew. I am thankful and feel blessed to have received the gift of Mrs. Dean.

Love to all the Dean Family,

“ Pris loved to entertain and hosted many of our Sunday School bible studies and Christmas socials. The food and fellowship gave us all a sense of joy in belonging to Christ. Pris was always the one to read the Christmas story of the birth of Jesus in Luke 2:1-20. She was a blessing to the Daughter's of Ruth Class.

I visited her when she was at Mayfield a number of times. She loved having company and flashed her big smile as I entered the room.

She will be missed! I know that 2 Timothy 4:7 is true for her. "I have fought the good fight. I have kept the faith."

My condolences to the family. Gail Emerson
