

## Priscilla Massey Jones

October 12, 1978 - July 1, 2024

Priscilla Massey Jones, 47, of Ocala, FL passed away on July 1, 2024. She was born October 12, 1976 in RAF Lakenheath, England, United Kingdom to John Boston Massey and Deborah Adamson Massey. Being part of a military family, Priscilla lived in multiple cities around the country including Omaha, NE; El Paso, TX; Auburn, AL; and O'Fallon, IL. She was a 1995 graduate of O'Fallon Township High School where she was involved in Show Choir, Madrigals, Model UN and various academic clubs. Priscilla later attended the University of Illinois at Champaign-Urbana, majoring in chemistry. When she was not in the chemistry lab, Priscilla worked as a fitness instructor at the on-campus student gym which fueled her passion for the health and fitness industry. She went on to graduate with honors in 1999.

In her earlier years, Priscilla loved to sing and dance. She was a dedicated student at the Adams School of Dance in O'Fallon, IL practicing ballet, tap and jazz. She later went on to perform in the OTHS Show choir where she was a leader in several performances over the years. After high school, Priscilla competed in several pageants throughout the state of Illinois where she received top placements including runner-up in Miss Illinois.

After college, Priscilla went to work for Kimberly-Clark in Atlanta, GA. She had taken an internship within her junior year of college and was welcomed into the company as a full-time employee in 1999. Priscilla met her husband, Brian

Jones, in Atlanta and they were married in Sept 1999. They had their first child, Julius, in Atlanta and then later relocated to Florida. After living in a few cities in Florida they settled in Ocala where Priscilla and Brian went on to have three more children Cassandra, Evan and Giselle.

Priscilla was a loving and dedicated mother and stayed home the first couple of years when the older three children were born. She then began her career in the health and fitness industry by going back to her roots as a fitness instructor but this time at the local Ocala YMCA. This is where she began inspiring locals to get serious about their health. After many years of coaching, Priscilla and Brian decided to open a CrossFit gym, CrossFit 1088 in Ocala, FL. This gym was a gathering place where many locals of all ages felt welcomed to work hard during the workouts but also have a sense of community. Priscilla made a huge impact with the members over the years as a founding leader of CrossFit 1088. She sold the gym in March of 2023 and used her experience with running a business to begin her own bookkeeping business, Faithful Steward Bookkeeping. When Priscilla was not working, she enjoyed gardening, cooking, reading, and walks at the Greenway Park in Ocala.

A very important part of Priscilla's life was being a faithful follower of Christ. She attended Good News Church of Ocala with her children, where she led bible study, served in KidZone, and spoke life into the people around her. In the summer of 2022, Priscilla was diagnosed with pancreatic cancer. She fought hard and was in remission by the spring of 2023 but by the fall it had returned. After a tough battle, Priscilla peacefully passed away at home surrounded by loved ones. She took every opportunity to share her faith, choosing even in the hardest moments to minister to those around her. "When we are confronted with a crisis, our response will show what we believe to be true about God. I believe that He is good in all circumstances." Her faith carried her through it all and she was smiling as she met her Lord and Savior,

Jesus Christ.

She is survived by her husband, Brian Anthony Jones; their four children, Julius Anthony Jones, Cassandra Whitney Jones, Evan Emmanuel Jones, and Giselle Alair Jones; her mother, Deborah Adamson Massey; and her sister, Lori Olivia Massey.

She was preceded in death by her father, John Boston Massey; her aunt, Linda Jane Massey; and her grandparents, Boston and Esther Massey and Oscar Charles and Gladys Adamson.

In lieu of flowers, please consider donating to one of the below charities. They were all special to Priscilla.

Greenway Park in Ocala - This was a very special place to Priscilla that provided tranquility and peace. She would visit often to workout and reflect.

“ My husband and I met Priscilla in 2003 when we joined the YMCA. Her KINDNESS is her greatest attribute. Her classes were a reflection of WHO she was. My husband BOB loved her AQUA EXERCISE CLASS. God has taken an ANGEL to be with him. SAD. 🙏❤️

“ Priscilla is one of those “you had to know her” people. I could tell stories all day about how awesome she was and how much she meant to me and so many others, and feel like I’d only scratched the surface. She was unbelievably kind. She could read people and know when they were struggling and find a time to catch you and check in. She consistently left people better than she found them.

“ Pricilla introduced me to crossfit 8 years ago. She challenged me every time I walked through the door, to do my best. Even on days when I felt like giving up she was there with a smile and encouraging words. In December of 2019 she and Brian gave my then fiance, Eddie, and I the greatest gift. They allowed us to have a crossfit wedding at the box!! They helped us put together an amazing day that allowed everyone to participate! We will hold that day forever in memories. We will hold the entire Jones family in our hearts. Thank you Pricilla for all your love, kindness and encouragement. May you rest in internal peace. We love you. Sabrina and Eddie.
