You had a great smile or a good joke unless you where not feeling good or someone gave you a hard time when you where out on a job. I will all ways remeber going hunting with you and spending time with the family up at the woods and having a wonderful time at Christmas. Thank you and Nanny for making Thanksgiving and Christmas so great for Billy and me you made us a part of your life and that is one thing we will never forget. “ *My Dearest Daddy, I miss you so much already and I couldn't talk to you the last two nights and that will be a ritual that is going to be hard to get over. You were always there for all my news, trials and tribulations and I enjoyed talking to you each and every night. The light of your life went out of your eyes Wednesday night but your light of love will never leave my heart. After your homecoming party with Miss Doris and Steve is over (give them my love), please look for Mother and give her my love also. Fifteen years ago I lost my Mother and when God took you home Sept. 30th, I lost my Daddy. Enjoy your new journey and remember always, you were loved so very much by your baby girl.*
