We are blessed that we got to meet your dad. He welcomed us with open arms and was fun to hang out with. Ericka still talks about how he let her drive the golf cart up the dirt mound. Please accept our heartfelt condolences on the passing of your dad. His legacy will live on through the love and values he instilled in you. Know that you are surrounded by caring friends who are here for you.” “During this time of profound loss, know that we are praying for you and your family.
