“ Cadwell family, I am so sorry for your loss. I worked with Ralph in the early 2000's. Always had such a great time being around him, always enjoyed his sense of humor.

“ I am so sorry for your loss. Losing a loved one in death is never easy. I would like to share something with you that I believe will give you comfort. It is found in the Bible at Revelation 21:4 it reads " And he will wipe out every tear from their eyes, and death will be no more. Neither will mourning nor outcry nor pain be anymore. The former things have passed away." This can really give you comfort to know that the pain you are feeling is temporary. My deepest condolences to you and your family.

“ Amanda , Sherry, Brian and family.  
He helped shape my life and I am forever grateful for his kindness and encouragement. He was Dad's ( "AL" ) best friend. When we were down he was there to help us up. He was just the best of the best . He too enjoyed a good laugh and what a smile . You don't probably recall his days pitching for the town team of Umatilla back around 1958-60. I barely can but Dad would take me to the field near the old store and watch Ralph's fast ball.. Herman Kicklighter use to joke how scared batters were to face Ralph some because of his speed others because he was wild as he was fast. Those were good days. I miss him and think of each of you and a tear of memories goes out to all.... Jerry
