“ Dear Doris, My heart goes out to you and the other members of the family. I was praying for you and Ralph during his illness , his first time and recently, and I continue to pray for you and others close to Ralph, that our Heavenly Father will be close by you during your time of grief. I have asked the Holy Spirit to pray with me for best means to provide you peace and comfort. I am not only offering my sympathy at your loss, but my empathy too, having lost Gretel a little over 2-1/2 years ago. I have sweet memories of her and I still miss her every day. So my prayers will be constant ! With God's Love, Gordon

“*Ralph and I met at a gym some 24 yrs. ago, and by pure coincidence my son ended up dating his Granddaughter, and marrying her last October. He was the proudest "Grandpa" in the world that day! He put up one hell of a fight to be there that day, and now the fight is over. But his memory is far from over. It was an honor to call him friend, and family member. He loved his family more than anyone I know. I hope God realize's how special he was to all of us. R.I.P. my friend.*
