“ I am so saddened to hear of Ralph's passing. I went to high school in Umatilla for a short time with Ralph as well as Sherry who I still see on occasion. Ralph was always a kind spirit when we crossed paths. Always a smile on his face and a kind word. Sherry, my thoughts and prayers go out to you and your entire family in this time of sorrow. God bless. Bonnie

“ To continue from my last post! Ralph was such a wonderful person who lived around the lake from me almost my whole life and I was also close to Donna after high school. He treated her so wonderfully during her battle with cancer and it breaks my heart that he had to face the same enemy . I truly am sorry if my earlier post upset any one's feelings. Just one of those senior moments, we at our age are starting to have. What a great loss for his family, community and anyone that knew him. Please forgive my lack of empathy in my writing since I am so truly sorry for your loss . I know that besides God, Donna and Tommy Fuque were the first to greet him. You have fought the good fight and now your journey is complete. RIP

“ I am so sorry for your loss. My sister keeps me up on things going on in Umatilla and she has been out of town for three weeks. She told me Ralph Caldwell died and I just assumed senior. Not that we want to hear of anyone's passing. So sorry I missed the service. At least he and Donna are back together again. Prayers for all of you at this time. Joy

“ *Prayers for all of you at this time. Ralph was an amazing man who was loved by so many. I never in all the years I've known him hear anyone say an unkind thing about him. He was a true southern gentleman who was kind and caregiving. Was so blessed by his friendship . He was part of a trivia team some of us were part of on Wednesday nights as well as some of us who just got together to sing kareoke and go get something to eat. There is no doubt he loved the Florida Gators and we cheered them on. He enjoyed telling the stories of his travels to away games with Brian, Weltin, and others. His face would light up with excitement. He will be greatly missed but will always be in our hearts. Love and God bless, Valerie Allen and family*

“ I'm truly sorry for your loss that was also the loss of all that knew Ralph. He had a gentle spirit that always made you feel good just being with him. Ralph always seemed more concerned for others than himself, a very rare trait these days. I was blessed to be his friend. One last thing. He was one of the toughest football players I knew. He tackled me playing sand lot while he was in Jr high and I was on the varsity team, will never forget that. I'll miss you Ralph.

“ *We are so sorry for your loss. Ralph was a special person in Coach Ed's life. He was one of "his boys" and was dearly loved. Still remember when Ralph scored a 75 yard touchdown in high school and Coach standing on the sidelines yelling, run, Ralph, run. What is more important than that however was the kind of man and father he became. We are looking forward to seeing him again in heaven.*
