“ My parents are not on Facebook, so my dad sent this for me to share.

Randy

My brother, who I never thought would be gone; It's very hard to even sit here and write down all the thoughts and memories that I have. All the good times together and doing all the things we loved to do. He loved to fish, but he was also a very good athlete. No matter what he competed in, he was hard to beat. Before he was diagnosed with Rheumatoid arthritis, he could stand his ground in ping pong, bowling, baseball, etc., and of course fishing. I never could beat him when fishing. When we were together, we would compete no matter what sport it was and my famous saying was "When I get older, I'm going to kick your butt." These last few years, my grandson Garrett and I were lucky enough to spend time with him and his wife Jan. Their dear friends Jimmy and his wife Sheree, are wonderful neighbors who I immediately became very fond of. These memories I will cherish forever. Randy, I know you are reading this from heaven and until we meet again, we love and miss you.

“ *Our hearts are broken at the passing of our dear friend and next door neighbor. Jimmie and I have had the pleasure of sharing our lives with Randy and Jan for the last four years. Randy was a caring and generous person, always willing to lend a hand and share his knowledge. I will always remember him going fishing with Jimmie and all the fish stories. most of all I miss just knowing that he is next door. and then there is his laugh, he had the best laugh. Randy loved his friends and family and our condolences goes out to to all of you. we have gotten to know His brother Mike, nephew, Garrett, son Chad, his wife Amanda, and grandkids Easton and Journey. our love and prayers are coming your way. Just know Waters Edge will not be the same without our buddy Randy.
