“ So sorry for your loss. Randy was such a kind man, so full of God's wisdom. I enjoyed meeting with him, not only for our taxes but for the Bible study we had while visiting. I could call on him personally for his knowledge of God's word, especially after my husband's passing. He helped me and my son Caleb during that solemn time. I remember well how uplifting and comforted I felt after speaking with him. He is greatly missed. I only wish I could have attended his services, as I just found out about his death today. Remember, 2 Corinthians 5:8 "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord".

“ Randy was a kind and wise and great man. We knew him as our tax accountant and he was a friend to all. Randy would smile the best smile when he talked about his church. I was always going to go to his church and just never made it. If anybody could tell me the name of the church I would greatly appreciate it because I do want to go he found great peace and happiness in the word of God there. Randy was a great human being and touch the lives I think of everyone that met him. He will be very missed my condolences and my heart goes out to his loving family that I am sure will miss him greatly. My condolences to his church family and many friends and his coworkers also.

“ We are truly heart broken for the Mikell Family. Some of our fondest memories growing up was being around Bro. Randy. He was such a Godly Man that we looked up to and loved. Some people come into our lives and leave footprints on our hearts and we are never ever the same. He is truly one of those people for us and many others.

“ Randy was the sweetest man with the biggest heart. He was so kind to my boys when they were little. My boys are now 30 and have children of their own. When Jarad got married without any hesitation he called Uncle Randy to perform the service. He will be missed but always loved.
