“ *As one of Randy's English teachers, I have nothing but good memories of him. He was always respectful and cooperative and gave his work his best effort. He was loved by his friends, and he will be greatly missed. My heart goes out to you, with prayers and sympathy.*

“ *I am so sorry for your loss. He was a great person. I first met him in 2000 when I started working at Walmart DC. I instantly had a crush on him and still have one on him to this day. He and I spoke all the time on the phone. I loved our phone conversations. I will miss him so very much!*

“ *Randy was one of the hardest workers for me.if a job had to get done I would count on randy more times than I could count. We became good friends and found out we both like to ride dirt bikes. The things that guy could do on a motorcycle was amazing. Randy you will be missed. Love you man.*
