“ I know yesterday was your birthday but it was hard for me to get on here it being so soon after your passing. I just wanted to wish you a first Happy Birthday in heaven. I wish heaven had a phone because I would call you to tell you all the funny things Patrick has done or said and to tell you that McKayla still can't find that cell phone you sent her, lol. But I talk to Pat everyday I guess because it makes us both feel close to you and we need that right now. Gosh it's hard not picking up the phone to call you anymore, I sure do miss our conversations so much. I know you are doing well and I have to understand that and accept that you are gone. Please tell all my family especially Mom that I said Hello and I love them all. Miss you Dad!

“ *I miss you daddy! I feel so lost, empty, and broken hearted. I'm going to miss our chats over the phone about your grand babies. All I wanted was to see you one more time and now I'll never have that opportunity because your gone. You would be so proud of McKayla and Patrick and they are going to miss you dearly. We love you!*
