“ Pat We are at a loss for words right now, believe we are so hurt. But there is a God that heals all things if we just believe. Our son James is still so fresh in our hearts and minds and now Ray. We ask God to give you and the family peace and strength. If you need Sylvester and I for anything please do not hesitate to call us. Raymond was a great man with a kind heart. “ Dear Pat and Family I send my love and my deepest condolences to you and your family. I had so hoped and prayed that Ray could overcome this situation. I wish I could have been with you at the services, I know had Ken been alive....we would have been there. I am presently vacationing in California with our son and family. My memories of Ray go way back....infact he was the one that set up the blind date between Ken and I. And of course I remember all the great times the 4 of us shared playing golf together....not only in Joliet but in Florida at your place. Pat.. I share your loss, I truly know what it feels like. But Ray is finally at peace with no more suffering and pain. I think of you often. Please stay in touch. Much Love, Barbara Molnar

“ Pat and family: It was a terrible day for me when I read that Ray had passed away. If you remember me I worked in the pro shop at Harbor Hills for many years and both you and Ray were some of my best friends. When I left and went to another job in golf Ray would come and buy product and talk about old times. I pray that the Lord will comfort you and your family in this time. I know all of your friends and I will be praying for you and your family . I would have been at the funeral but my job on that day prohibits me from attending. God bless you and your family. Always a friend Jim Eyler (Former Harbor Hills Pro shop employee.
