“ Even though Kirk and I lost touch many years ago, I still have fond memories of him from grade school. He was a very sweet and kind young man. I am sure he carried those traits into adulthood and will be missed by all who knew him. Our prayers go out to his family and friends.

“ I was so sad to hear about Kirk. Once good friends, we lost touch in the years since High School and I hate that I'll won't have another chance to find him. I have very fond memories of us playing music together; he was such a talented singer and guitar player. He will truly be missed.
