“ *I just heard about Ray's passing from Morgan. I'm so happy that he was able to stay with you and Chris in the last part of his life. I know you have always been a constant source of love and support for him. You should be proud of yourself for what you gave him during his life. I know he appreciated you so much even though it was hard for him to show it. I will send him good energy to help him move on in his journey and for you both and rest of the siblings to help you all through this hard time. Most sincerely, Sandy, Peter and Erik, and Bryce*

“ *Mas and Thocher Children-I am so sorry for the loss of your dad. I remember your dad from when I was a little girl. It's tough losing a daddy, but I can tell you this, he will always be with you.....in your heart, he will always be there when you need to talk and he will still listen.....he will always be your daddy! Love, Vickie Cruz*

“ To Mas, This poem was written by a dear friend of mine now i'm sharing it with you. When I am gone, release me and let me go Because I have so many things, I need too see and do. You must not tie yourself to me, in so many tears. But be blessed, that we had so many beautiful years. I gave you my love, with all of my heart. You can only guess, how much you gave me in happiness. I thank you, for all of the love that you have shown me. But now it is time, I travel alone. So grieve awhile for me, if grieving you must do. Then let your grief be comforted, by my love and trust in you. It is only for awhile, that we must part. So be blessed in the memories, within your heart. I will not be far away, for life goes on in a better place. So if you need me, call and I will come. Though you cannot see or touch me, I will be there. So if you listen with your heart,you will hear my love all around you, soft clear. And when you must travel this way alone,I will be there, too greet you with a smile and welcome you home. \*They are in are heart's forever!

“ Morgan I know this is a sad and difficult time for you and your family. Your dad loved you so much he was quite a character but he was strong and steady...there for you always he was so proud of you. I know you will miss him, but you are who you are today because of him. Celebrate his life. My thoughts and prayers are with you. Sarah's mom
