“ *When we were kids, Becky was always the quite/shy one... But there was never a time that she did not smile at you.... Her smile would light up any room she was in.... She loved her husband and kids so very much and was such a good mother.... She was someone that we all need to pattern our life after... I know that Becky and Uncle Moe are smiling now that they are back together.... Becky will be sadly missed..... God continue to bless her children and Ruban.... We LOVE u Becky.... Kim and Family*
