“ *There are no words that can ease your pain or sense of loss. Our lives on earth are temporary and our LIFE WITH THE LORD is ETERNAL. I am so sorry to hear of Rebecca's pain and suffering. During my time at LRMC she was such a great friend. We spent a lot of time together and she dealt with a lot of BS. Rebecca was always a generous person and would give you the shirt off her back. She was always such a devoted and dedicated mother and grandmother. I was shocked and saddened by the news of her passing and I know that she is no longer in pain and pray she is at peace with our Beloved Father in Heaven. Rebecca, we had a lot of laughs and a lot of heart aches and nonsense that we shared. I truly treasure the short time we spent together. Please Rest in Peace and know that you are loved!! Toni*

“ We are sorry for your loss Dan. Rebecca, was such a great person, she will live on in our memories forever. We were deeply saddened by the news of Rebecca's passing. Our deepest sympathies during your time of loss. Please know that we are here for you. We were coworkers of Rebecca in the Patient Financial Services department for so many years. She love chocolate and we used that as our personal deal that for any question I asked; I will owed her the next day a chocolate. Also, she order my flan because she said, "You love it". The office won't be the same without her. Words cannot express our sorrow. Quote: "What we have once enjoyed, we can never lose. All that we love deeply becomes part of us." - Helen Keller

“ My deepest sympathy to the Uhler and White families. It's been my thought that a person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. I pray that God gives us, still here on earth, the strength & comfort to celebrate Rebecca's life, and all that she did, and all that she gave. Rebecca, a remarkable, beautiful, fun-loving woman with a heart of gold, you are now safe in Gods hands, may you always rest in peace my friend. <3###GESTURE###

“ *My deepest sympathy goes out to the Family. Rebecca was one of the most wonderful person that I know . working with her for 15 year at LRMC was great some good days and some bad day. Life took both of us through some challenge over the 15 but we was always there for each other. There was a time we were always on the road going to the Hard Rock you can always tell when we was Winning because you will hear us all the way on the other side of the building. She will truly be miss by me , but one day my friend we will meet again so be ready to hit the slots. One love Sherry Rolle❤️❤️
