“ We both knew Reg for many years during our time at Picker International in Cleveland. He was a guiding force, mentor and friend to Linda in her International Business career working with Reg, and an excellent business colleague and friend to Doug. Our thoughts are with you, Marguerite. And Reg, you are one in a million!

“ We wish to express our sorrow in the loss of Reg, your dear husband, father and grandfather. Reg was a valued friend of ours for 40 years. Those years have given us many happy memories from our time spent with all of you in England and numerous places in the United States and especially recently in The Villages. Our thoughts and prayers will always be with you.

“ Marguerite, Susan, Diana & families, Our thoughts and prayers are with you all at this difficult time. It was wonderful that my parents got to spend all of the summer with both Reg & yourself. It was truly a blessing that you spent quality time together before Reg's passing. We will be thinking of you on Wednesday, and in the days going forward. “ Marguerite, Jim and I did not know Reg very well. However, we enjoyed the times we met at our Christmas parties and of course I appreciated his passing on my e-mails to you. I'm sorry I'm not able to be at the memorial but I will be there in spirit and keeping you and your family in my prayers at this sad time. Take care my new friend.

“ Reg was a truly wonderful man. Always friendly and willing to help out an aspiring philatelist with his wealth of information and years of story telling. I considered Reg a true friend and a gentleman in every respect of the word. My condolences to his wife and family.

“ We thoroughly enjoyed Reg's stories about his days growing up in London during the second World War. We also enjoyed his comments about working at Picker International, Cleveland, OH. He had a joy for the RAF and a love of the United Kingdom and the USA. We'll miss him as a great Cleveland Browns, Cleveland Indians and Cleveland Cavaliers Fan and most of all we'll miss him as a super individual and friend. Our condolences to his family, and especially his dear, sweet, Marguerite.

“ I knew of Reg's writings in the philafelic hobby long before I moved to Celveland and met him at the Garfield-Perry Stamp Club meetings. A FINE and knowledgeable gentleman. I feel honored to have known him.

“ *Words cannot express my feeling of loss, and I can only imagine the pain the family is bearing. He was a tremendous individual and dedicated to serving like the good scout that he was. He was a good story teller, and will treasure the stories of growing up in England during the War. He will be very much missed.*
