“ My heart is heavy as I write this message. This picture of you takes me back to the day that you and Mac got married. I have the same picture of you. You all went to the Court House, got married and came to our apartment to celebrate. When you got ready to leave you said you couldn't believe that I had twin boys and I told you "when I see you again, you would have your own twins". Along came Joshua & Jonother. Now, it's hard to believe that you're gone. Your presence is missed but your memory will always live in our hearts. Your beautiful smile will never be forgotten. To the family, we share in your loss and we keep you in our prayers! Love, Ben & Annette Peterkin
