“ Sadly, our father did not care for his children in life or in death. We tried several times to establish a relationship with him only for it to be sabotaged through a companion of his. I hope she enjoys her final paycheck.

“ To Linda and the family of Dick Brown

We were great friends with Dick for many years. His sense of humor and his willingness to always be there if you needed help was greatly appreciated by us and know that you will miss him as much as we do
