“ *The world never knows the impact of an individual until he is lost. Such is the case in the loss of our friend. Never has our community had such a talented, resourceful, individual, who also had such a passion for living. He loved his family and spoke of them often. He was proud of them and the accomplishments they are making in the world. I have always been proud to tell all that Dick Faunda is my friend. The world just lost a real good guy! chuck*
