

## Richard Miguel Fernandez

November 9, 1949 - January 13, 2018

Richard Miguel Fernandez Sr. - Richie to his family and friends - passed away on Saturday, January 13th after a hard fought battle with cancer.

A mentor, humble and great musician, true gentleman, beautiful soul and salt of the earth are just some of the ways that Richie has been described by those who were fortunate enough to have known him throughout his life and musical career. His last days were spent the way he wanted, at home, surrounded by family and loved ones. His passing from this life onto the next was filled with sadness and joyfulness as the sound of the jazz trumpets that he loved filled the room as he departed his home for the last time.

He is survived by his wife Damaris, daughter Tricia and three grandchildren Ashley, Wilson and Christian.

Visitation will be held on Wednesday, January 17th, from 1:00 to 5:00pm at Beyers Funeral Home Chapel in Leesburg, with a service following at 5:00pm.

“ Dearest Richie, We will find some comfort in your memory  
Because thoughts of our time together Are the Best Memories anyone could have. You were a perfect example of kindness, humility and love, full of Laughter and joy. Always making the best of time. Your presence we will miss, but your memory we will always treasure. Your life was a blessing beyond words. As you find your place in the heavens play your horn as loud as you can unto the Lord and when you ignite your bond with your son Richie let him know that his beautiful little girl has become an incredible, remarkable woman with his twinkle in her eyes! Richie you fought the good fight and have finished the race and now God has put His arms around you whispering "come to me" and part of us went with you when He called your name! You will always be in our hearts never to be replaced. Love you so much forever and ever, until we meet again!
