“ Dear Karen and family - I am so sorry to hear of your loss - I know it must be devastating for Dick to pass so suddenly but you are a strong lady with lots of friends and you will get through this - nothing will ever be the same, but the time you have left and the wonderful memories you have and your faith will see you through and you will look back someday and even smile about the wonderful life you had together and the life you have ahead - i am praying for you to have strength and peace in these days to come - know that you have many friends and that you are loved, and if there's anything i can do to help, please call me....Love, Bobby Saltus (my motto is one day at a time sweet Jesus)....
