“ I have not seen Dick in over 40 years, since I left Glens Falls. Oddly enough I also live in Florida and feel I missed a life opportunity. He was responsible for me enlisting in the Marine Corps. So those who knew him, please share this story. I received a call from him one day asking me to pick him up at the house and drive him to the Police Department. When I arrived, learned that he went skiing that day and broke his leg. So it was my role to bring him to work and tell the duty officer that he fell in the parking lot just so he could claim his injury on workman's comp. That was Dick. I will miss him as he was a pivotal part of my life.

“ Condolences to the family. I will never forget the assist Dick gave me when my brother passed away. Also an avid hunter, my brother had many hunting guns, bows, etc.. Dick was able to take that burden off of my shoulders and sold them to fellow hunters, quickly. Sounds like Richard has led a full and happy live, and for that I am sure his family will take with them that joy throughout there life times. God Bless you all.

“ I am so sorry for your loss. I wish I could make the hurt and pain go away for all of you. When you love someone so much it hurts so bad when they leave this earth. Try to feel blessed that we had them in our lives and know they will always be remembered in our hearts forever.

“ Carol, I am John Lyford's brother and, like John, I've known Dick my whole life. The Kenny's were neighbors and we all hung around together. We all got into trouble together and formed a pretty tight group of friends. Life does go on, but it will be a bit less wild, cheerful and diminished by Dick not being here. For those of us who knew him, he will not be forgotten.
