“ Dear Ann, I just found out how to leave a message for you. I will never forget the day I came by your house, not to long before Richard passed away. He was in the yard, and I waved to him, and waved back to me. A few days later I heard, and it was so hard to belive. I still think about that every time I come by. I am so glad you are doing so good, and spending a lot of time with your sister. God Bless you and your whole family.

“ I just wanted to extend my sincere sympathy to your family during your time of great loss. My daughter was in the ER the night Mr. Large came in. We were across the hall from his room and saw some of the family. It was just heartbreaking and I just wanted you to know how sorry I am for your loss. May God bless your family and treasure the memories of Mr. Large's legacy.
