“ *Daddy, I guess heaven was a little bit lonely and they needed someone super special to come and visit them. I am glad that you held on so Pat and I could see you. And I am so thankful that the last words I got to say to you were "I love you". I don't understand this silly thing they call life and I don't understand why I didn't get more time to get to know you better. I know that we will meet again someday. Thank you for giving me life and thank you for choosing mom to be my mom. She is awesome. I love you daddy. I am going to miss you so much. I am glad you aren't in any pain anymore and I am glad that you are having a homecoming with Granny and Bobby and Nannie and Papa and Neal. This is just so much harder than I thought it was going to be. Rest in Peace Daddy.*

“ *Gary was one of our friends at the Leesburg Senior Center. Most of us shared lunch with him on Tuesdays, when we had our painting lessons at the center. He would always send us the best emails and had a good joke to tell us in person. There are many here in Fruitland Park and Leesburg that will miss him.*
