“ We will sorely miss our beloved brother-in-law, Richard. He was a special part of our lives & we were so happy when he moved back to Florida from Tennessee in 2010, first to Flagler Beach then Welaka & finally settling 20 mi. from us in Deer Haven - Paisley.in 2011. We enjoyed many fishing, shrimping & crabbing trips on the St. Johns River & getting together for dinners & visits as family. Our thoughts & prayers go out out to his family. We take solace that he's no longer in pain. May he rest in peace.
