“ *John and I have a lot of fun, laughter filled memories of Rick both from work and when we bowled on the County league together. He will be greatly missed. We will not be able to make the funeral, but please know that we are thinking of you and your family. My dad, Nolan Joy, also asked me to convey his sympathy. Rick was one of his students at Vo-Tech and really enjoyed working with him. He especially remembered a time when Rick got some peppers from a plant they grew and put it in his spaghetti, which made it too hot to eat. Please let us know if you need anything.*

“ It is with deep sadness that I send this condolence. I did not know Rick well, but Roseann was a co-worker for 10 years and is a dear friend. I do know of her deep love and concern for Rick and all that he has gone through. I pray that the good Lord be with Roseann and the family and bring peace and understanding during this trying time.

“ Rosanne, I am so sorry for your loss. You know how we all loved Rick. He was such a big loving teddy bear. Brenda & I would always make him put his hands up to ours because they were so big and then tell him he was such a teddy bear. He always was full of fun and laughter. We missed him when he left work and will keep those fond memories forever. My prayers are with you!
