

## Richard "Pake" Paquin

August 9, 1952 - November 19, 2025

Richard Paquin, 73, of Leesburg, Florida, passed away on November 19, 2025, surrounded by the love of his family.

Richard was a man of warmth, generosity, and kindness. He loved fishing, cruising, camping, country music, watching NASCAR, and he idolized Michael Jordan. He found peace in the outdoors and joy in adventure. Richard fiercely loved his wife, Lisa, and his daughter Rachel—they were his greatest pride, and he moved mountains for them. He also adored his dogs, Milo and Lacey.

Richard dedicated countless hours to serving his community. He volunteered at his church, at the local hospital, and for Rachel's high school marching band. He had a gift for making friends wherever he went—whether at the store, on vacation, or simply running errands. He never hesitated to strike up a conversation, and it often seemed inevitable that he'd bump into someone he knew.

Richard possessed a natural knowledge for craftsmanship and repair. He had a library of tools in his garage and he always knew how to fix any appliance with no hesitation. He built Lisa numerous additions for the house and was constantly working on new projects. Lisa and Rachel relied on him for his expertise because he always had a solution.

Richard is survived by his wife Lisa, his daughters Rachel and Devin, his three sisters Debbie, Dotsy, and Nancy, his sister-in-law Stacey, and all their beloved children, along with his grandson Clayton and the many cousins, nieces, and nephews who loved him dearly. He also leaves behind countless friends and community members whose lives he touched.

Richard was a great father, husband, and friend. His love, kindness, and generosity were rare. He wanted everyone around him to be happy. His memory will continue to brighten the lives of everyone who loved him and his presence will be greatly missed until the end of time.

“ *AS I WATCHED THE VIDEO I SEE PAKE AS A VERY HAPPY AND CONTENTED HUSBAND AND ENDEARING FATHER. LISA AND RACHEL WERE ALL THAT HE NEEDED AND THEY MADE HIS WORLD COMPLETE. HE PULLED THROUGH ALL THOSE MEDICAL ISSUES CARRIED BY THOSE LOVES IN HIS LIFE. LISA ALWAYS THERE AS HIS PERSONAL NURSE. PAKE LEFT HIS MARK ON ME WHEN HE TOLD ME SOME 30 YRS.AGO THAT HE DIDN'T MUCH CARE FOR "TECH" AND HE DIDN'T EVEN WANT A CELL PHONE,HE WAS REFRESHINLY HONEST. AS TIME PASSED ,DESPITE OUR MISGIVINGS OF THE TECH WORLD WE BOTH EVENTUALLY HAD TO SUCCUMB. LET US KEEP PAKE IN OUR CONVERSATIONS AND KEEP HIM AND THOSE WONDERFUL MEMORIES ALIVE.*

“ Lee and I met Richard AKA Pake and Lisa and Rachel on a cruise that we were invited to join with other Memorial hospital friends. We became instant friends. He was the easiest person to be with. We now have traveled the world together and had plans for so much more. Richard you will be missed by all who had the good fortune to know you. A huge part of us will forever be missing. Lee and I promise that we will always be there for lisa and Rachel. We love you buddy. Get that party started for us when we get up there with you. I can even learn to sing a long to some country music.

“ Dear Lisa and Rachel,  
I still can't believe he is gone. I remember him coming over to our house in Hialeah when he and my father would stop by and hang out with the rest of the Sears crew. I will always remember him. It was great to reconnect with you guys in Hollywood. Whats really crazy is he passed away on the same month and day that my father did.

*Dearest Lisa and Rachel,  
My heart aches so much for you both. What a lovely family, what a wonderful man. I will always appreciate Richard's talent when I had him come to my house a few times in the past when I first settled into being a homeowner all by myself after my devastating divorce. I remember Lisa telling me just call Richard. He can fix anything! He's gone way too soon. I know he will live on through the two of you. I'm thinking about you and sending you love and hugs and strength as you journey through this clinging undo all those wonderful memories. Love, Pam*

“ *Dear Lisa & Rachel*

*Richard touched so many lives in the very best way. I am grateful I got the chance to know him and Russell both as a Colleague and friend. We have very many fond memories with Richard. One of our favorites is when we went down to the keys and we got stuck in the muck. Richard told us all to get out and push the boat. Needless to say a few hours later the tide came up and away we went. Good Times will never forget.*
