“ It's hard to know what to say, except that I'm thinking of you Lois, Shirley, Dean and Michael. Rich was an amazing man and lived a full life. He always did what he believed and lived his life with respect to others. He was a great influence to me in my younger years. Mild mannered and quiet he always treated me like a little adult. Never demeaning and always thoughtful. I have so many memories where he was a great role model to me. I wish I could gather the right words to make your pain less and offer you some comfort. I can't begin to understand your loss. I am so sorry I could not make the funeral engagements and wanted you to know that we are here for you. You are in my thoughts and prayers. With Love, Margie & Ron

“ *I wanted to send my sympathy to your family. I am a co-worker and friend of Shirley at Robey Elementary. We appreciate her so much and her devotion to students at Robey. I'm sure she is a reflection of the love that Mr. Poort and Mrs. Poort demonstrated to her while growing up. My prayers are with you during this difficult time of loss and grief. Katrina Michael*
