“ While my wife and I are not full time residents of the Villages yet, I have had the good luck to met Richard a few times when we were there. He was always very friendly and seamed to enjoy his time there. I was looking forward to having him as a good neighbor when we went there full time. A very nice person taken away too soon. I will miss him. Joel & Cindie Johnson 920 Rose Lane The Villages

“ Rick, we just talked on the phone last week about meeting up in Flordia in March to spend a little time together. It is a shame your life took you and your family away from New Jersey. I understand all that, but most important I remember are days together on the baseball field. You were a good person cuz, and I am sure a good Dad. You will be missed in my life until we meet again forever. Rest in peice (Rickey) Your Cousin, Gary
