“ Dearest Lynn, You were with me when my mother passed and I wish I could be there with you now. In my heart I am. Not at any age is it easy to lose a parent no matter the years apart or the distance, he's stiil "Dad." As the stories flow, and they will, some will make you cry and some will make you laugh till you cry...and in the end it will be said...."He had a heck of a life." I heart you.....Sue
