“ *Dear Vivi and family, The news of Richard's death was a shock even though we knew that he was very ill. We know very well you took good care of him every minut of your life and he knew too. We know there can be no real consolation on the sad loss of Richard, we will never forget him and the very nice moments we had together. Both Arnold and I send our love and deepest sympathy. We will never forget him as a dear friend. Affectionately, Arnold and Sonia*

“ *As a member of the 54 class of BHS I want to express our sympathy to you and your family. So glad Dick was able to make the 50th class reunion even though his health was not the best then. It is nice that the class has been able to keep in touch over the years. We know he enjoyed the updates.*
